

## Consent to Treatment

I, \_\_\_\_\_, hereby authorize the practitioner of Pan Soma Acupuncture to administer any style of Oriental Medicine relevant to my diagnosis and treatment, including but not limited to the following.

(Please check any boxes you DO NOT GIVE your consent for)

- Insertion of various styles and sizes of acupuncture needles into my body at various depths and locations.
- Heat treatments using *Artemisia vulgaris* (moxibustion, “moxa”) or a conventional heat lamp. The heat generated from the moxa treatments may involve slight discomfort or leave a blister or scar on the skin. With any type of heat, there is always a risk of a burn.
- A massage technique called “gwa sha”. This treatment leaves redness on the skin that can last for 1-5 days. Slight bruising and tenderness may persist after the treatment.
- Cupping may be used to promote circulation of Qi (energy) through the meridians. Cups may produce a red/purple color on the area treated lasting for 1-5 days.
- Electrical stimulation of the needles may be used which produces a vibration or tapping sensation or ion pumping cords may be attached to the needles.
- Bloodletting, alone or in conjunction with cupping, may be used to improve circulation in specific meridians. Lancets are inserted into the skin and a small amount of blood is expressed from the puncture.

I have been informed that I have the right to refuse any form of treatment. I understand the nature of the treatment, have been informed of the risks and possible consequences involved with this treatment, and have been given an opportunity to ask questions pertaining to the treatment. I also understand there is always a possibility of an unexpected complication and I understand that no guarantee can be made concerning the results of treatment.
